Red Chillies

Red chillies, from the best farms, give your food a scorching kick. Ideal for curries, sauces, and spice mixes, they also have anti-inflammatory and antioxidant qualities.

Turmeric

Vibrant color and health advantages abound from this pure, organic turmeric powder. It gives meals complexity and anti-inflammatory and antioxidant qualities for general health.

Cardamom

Good, aromatic cardamom gives both sweet and savory foods a warm, fiery taste. Perfect for cooking, drinks, and traditional medicine, sourced from the finest farms.

Dry ginger

A strong, warming taste with a trace of spice, dry ginger has Perfect for boosting taste in curries, drinks, and baking, it's also well-known for medicinal and digestive qualities.

Black pepper

Trusted farms provide our quality black pepper, which has strong taste and scent.

Either used as a spice or in cooking, this flexible ingredient with health advantages is well-known.

Fullers Earth/ Multani Mitti

A naturally occurring clay with skin-purifying qualities is fuller's Earth (Multani Mitti). Perfect for hair treatments and face packs, it gently cleanses, absorbs extra oil, and enhances a natural glow.

Banana Powder

Rich in vitamins and minerals, banana powder comes from dried bananas. Smoothies, baby foods, or as a natural supplement for energy and digestion all benefit from this flexible ingredient.

Psyllium Husk and Powder

High in fiber, both powder and husk of psyllium help digestion and support gut health. Perfect for maintaining a healthy lifestyle, it's ideal for smoothies, baking, or as a natural supplement.
